"November"

On a day like today I left town
Remember November
Your clothes lying in heaps all around
Remember, remember

How much I loved you then,
how much I loved you.
How much I loved you then,
how much I loved you then
Remember, remember

On a day like today I woke up to nothing,
no morning could bring back the green in your eyes
Remember, remember

How much I loved you then,
how much I loved you.
How much I loved you then,
how much I loved you then
Remember, remember
