Normal people suffocate you  
Till the last breath  
They clutter footpaths, clutter highways  
With their living death

Are you normal enough?  
Are you normal enough?

Normal people stare at you  
Wherever you may go  
Normal people despise difference  
To the normal people show

Are you normal enough?  
Are you normal enough?

Normal people stay inside  
Stay in the normal zone  
You shed a tear at the zoo  
But you chew flesh and bone

Are you normal enough  
To take the shit that they dish out?  
Are you normal enough  
To breathe it in, breathe it out?

Let's take it, let's take it  
Let's take it, let's

Proud to be a consumer  
Proud to be a drone  
Proud to believe sixty minutes  
From the safety of your home

Proud to swallow every lie  
Proud to give a cheer  
As you witness another murder  
On the enemy of the year

Are you normal enough  
To be just the same?  
Are you normal enough

To be in the normal game?  
Are you normal enough?
