Baby, I love you so
And this is what I really know
That if should ever leave and go away
Baby, I've been slaving every day!
Night and day I pray the love
Baby, I love you so
And this is what I really know
That if you should I believe and go away
I'll be salving every day.

Baby, I've been, baby I've been
Every day that I pray that he won't stay...
But do what you gonna do, do what you gonna do!
Baby I've been slaving every day

Night and day I pray that love will come away
Baby, I love you, baby I love you
Baby, I love you so, and die!
No, no, no!
Yeah!
Feel my, feel my, feel my
Baby, I love you so
And this is what I really know
That if should ever leave and go away
Baby, I've been slaving every day
I love you so
I love you so
