If I can dreaming everytime I wanna fly like a bird I wanna find another world... where Full of freedom and hapiness No no enemy and no fear Life and death just history Here... nice ladies are dancing And kids singing

Reff:

If I can show my dream I... wanna bring you all into it And I'll give you the same dream 2x

There's no king or president No rules and laws We are that all... yup Coz this world belong us Your mom will never try see what you do And your dad never hates you Coz they'll never know, never know What we feel right now

Reff:

If I can show my dream I... wanna bring you all into it And I'll give you the same dream 2x If I can dreaming everytime I wanna fly like a bird I wanna find another world... where Full of freedom and hapiness No no enemy and no fear Life and death just history Here... nice ladies are dancing And kids singing
