"Shadow On The Chimney"

Rumble of a storm
Vision of apocalypse
Chaos, incubus
Followed by a devil's kiss

From this morbid dream
I cannot escape
The greatest fear is lurking
Even when I'm awake

Drawn demonic shadow
Cast upon the fireplace
Inhuman, twisted outlines
Murdering my friends

I woke up in madness
Diabolical mockery
Unthinkable expanses
Of terrifying agony

Blasphemous perversion
From the deepest crater of hell
Nameless sacrilege
Which no mind can understand
