Hey, master of storms, the one who leads
Hey you sailing over Apophis
Hey, master of storms, the one who is
Hey you revealing Apophis

O thou bringing thei ship
Over the evil back of Apophis
Come, come, bring thei ship
And tie thei ropes in peace, in peace

Obey, hurry
For I am here to see my father
Obey hurry
Master of red sunsets Osiris

Bring me the ship
Tie the ropes to me
For me to sail away
The Earth is vicious
Stars unbalanced falling
On their face
