"What The Red Glare Meant"

Only God knows
What kind of ghost I have tried to find
I feel that evil grows
I can not erase it out of my mind

Crawling through the darkness
Blurry memories I've found
Now I sigh in sadness
Lost in the endless depths of the ground

No sense of time
No sense of right or wrong
Toward the wicked eyes I climb
I've been in the darkness for so long

I've been in the darkness for so long
That my life faded to remembrance

My mind was in chaos
As well as the ground
I have found my way out of the darkness
Following pounding sound

My mind was in chaos
As well as the ground
While red reflection showered the landscape
Now I'm trying to understand
What the red glare meant
