[Snoop]

Momma.. MOMMA..

I love my momma

I LOVE MY MOMMA..

Through all the drama..

Momma.. MOMMA..

I love my momma

Check it out

[singer]

The first one to hold me (yeah)

The first one to scold me (yes-o)

You never cease to teach me

And always try to reach me (momma..)

Took me to school the first day

Taught me how to kneel, down and pray (amen)

You learned me how to count from one to ten

And never forget, where I've been

Momma..

[Snoop]

Yeah, I love my momma

Through all the drama, I love my momma (I love my
momma)

Through all the drama, I love my momma

Yeah, I love my momma -- love you momma (momma!)

I love my momma

Through all the drama, yeah I love my momma

I love you mom (momma!)

I love my momma

Through all the drama, yeah I love my momma

I love you momma (I love you momma)

Yeah, I love you momma, yeah, I love you momma

(listen here) Trip..

[singer]

You taught me how to care (uhh)

You taught me how to share (f'real)

You taught me how to love and to give

thanks to the one above -- I love you momma

[Snoop]

Yeah, I love my momma
I love you momma, I love my momma -- I love you
momma
I love you momma [I love you momma]
I love my momma [I love you momma]
I love my momma (now you tell em Snoop)

You taught me how to read and write, how to fight
My do's and dont's, my wills and my wont's
I'll never forget, the things that we went through
Bangin oldies in the livin room, sippin brew
Schlitz Malt Liquor was the thing back then
My momma was my homey my daddy, and my best
friend
Ask the Twinz, them my lil locos to the end
And Warren G and Nate Dogg, shit them my true
friends
Time and time again, I'ma spit this rhyme again
She the queen in my life, and I'ma make sure she gon'
shine again
She taught me everythang, but she didn't charge a fee
She taught me everythang, except how to see a G
For the nine months you carried, I hope you bury me
instead of the other way around, and I put that on Dogg
Pound
I made you cry, you made me smile
I just wanna say I love you for life
and that's the reason why I'm here now
Love, Snoop

I love my momma, yeah..
I love my momma [I love you momma]
Yeah, I love my momma [I love you momma]
Through all the drama, yeah, yo, yeah, I love you [I love
you]
Momma, momma, momma, momma, I love my
momma
Momma, I love you momma
I love you momma
Momma, momma

[singer]
Your money wasn't always long (fo' sho')
But your heart was forever strong (momma.. momma..)
You taught me bout faith and hope
And never ever get hooked on dope
Momma.. (I love you, I love you momma)
I love you momma.. (throught all the drama, I love my
momma)

* song fades *
