When I met ya last night baby  
Before you opened up your gap  
I had respect for you, lady  
But now I take it all back  
'Cause ya gave me all your pussy  
And you even licked my balls.  
Leave your number on cabinet  
And I promise baby I give you a call  
Next time I'm feeling kinda horny  
You come on over and I'll break you off.  
And if you can't fuck that day baby  
Just lay back and open up your mouth  
Cause I have neeeever met a girl  
That I loved in the whole wide world.

Well if corrupt gave a fuck about a bitch I'd always be  
broke  
I never have no mother fucking endo to smoke  
I get smoked and looney  
Bitch you can't do me  
Do we look like BVD you hoochie groupie?  
I have no love for hoes  
That's something I learned in the pound  
So how the fuck am I supposed to pay this ho  
Just a ladies ho  
I know the pussy's mine so I'm gonna fuck it a couple  
times  
And then I'm through with it--there's nothing else to do  
with it  
Pass it to the homie--now you hit it  
Cause she ain't nothing but a bitch to me  
And ya'll know the bitches ain't shit to me  
I gives a fuck; why don't you pay attention  
Approach her with a different proposition  
I'm Corrupt, ho, you'll never be my only one  
Trick-ass biyatch

It ain't no fun, if the homies can't have none (x 4)

Guess who's back in the motherfucking house with a  
fat dick for your

motherfucking mouth?

Hoes recognize, niggers do too, 'cause when bitches  
get scandalous and  
full of voodoo

Whatcha gonna do? You really don't know.

So I'd advice you not to trust that hoe.

Silly of me to fall in love with a bitch

Knowin' damn well she caught up with my grip

Now as the sun rotates and my gang grows bigger

How many bitches wanna fuck this nigger named

Snoop Doggy.

I'm too swift on my toes to get caught up with you hoes

But see, it ain't no fun if my homies can't get a taste of  
it

Cause you know I don't love it.

Woooo

Yeaaah

Now ya know--inhale, exhale with my flow

One for the money, two for the bitches, three to get  
ready, four to hit

the switches

In my Chevy, '64 red to be exact

With bitches on my side and bitches on my back

So back up bitch because I'm strugglin'

Just get on your knees and start jugglin'

These muthafuckin' nuts in ya mouth

It's me Warren G--the nigger with the clout.

It ain't no fun, if the homies can't have none (x 4
