Stacey Adams

Yeah

A little something for all the O.G.s out there

That put the foundation together

Was doin' this thang

Before I knew what to do with this thang right here

Ya know

But just to let them know what time it is

And how we get down

Me, Kokane, and Battlecat

Gone let y'all know how we do this thang here

Check this out y'all

We stay on point like Stacey Adams

24 hours a day, 7 days a week, can ya dig it?

That's real talk baby

You know what

We stay on point like Stacey Adams

That's real talk right there baby

(Stacey Adams)

Verse 1:

I'm in a 3 piece suit

Looking too cute

Mashin' flashin'

Lookin' for a prostitute

Boo boo, you got that loot

I'm watchin' you, you watchin' me

It's all to the gravy cuz it's V.I.P

And everythang in here movin' belong to me

That component set, was given to me

By a pimp buddy of mine Disco D.

He told me, Frisco E.

This here gone be

The baddest pimp nigga that you ever gone see

Colder than Fillmore Slim

Tilt that brim

Snoop Dogg gone sell that trick

Keep it crackin' like pistachios

Get that money  
And continue to mash these hoes  
And when the Player's Ball roll around again  
I'm guaranteed to win  
You know why?  
Cuz we

Chorus:

We stay on point like Stacey Adams  
24 hours a day, 7 days a week  
Yea, yea

You know why?  
We stay on point like Stacey Adams  
You know that's all we know how to do  
(Stacey Adams)  
Gee'd up to the feet up

Verse 2:

Not only that but uhh  
Make it spectacular  
Put on my black cape  
And look like Blackula  
Smack ya up with the shit that I drop  
911, call the cops  
There's a bitch, snitch  
Ain't that a bitch  
I can't trust nobody in this sonofabitch  
I get rich on the fakers who hate  
Bakin' my cake  
And catch the Lakers at 8  
On channel 9  
Pop a bottle of wine  
Then at 10 hit the club  
With my nephew Dub  
11:30, talkin' dirty to this little birdy  
I'm trying to get mine early  
I can't be seen with your girly  
Continue to mash these hoes  
I keep it crackin' like pistachios  
I get the money first  
With no rehearsal  
Snoop D-O double G  
Still controversial  
Aahhh

Chorus 3x
