You stand tall, you stand mean
You got the longest lovin' legs I know I've ever seen
You got control over me
You got every guy I know down on their knees

You got long blonde hair and know just what to do
You're one gorgeous lookin' cowgirl and I know you
know it too

You got a hot kinda love
Cupid's burnin' arrows were sent from above
You got a hot kinda love
I'm close to the edge
Come on and give me a shove
You got a hot kinda love

I tried to talk, too shy
You give me the shivers when you walk by
What's your name, girl, no reply
Come on baby tell me now, now, now, now

You got a hot kinda love
Cupid's burnin' arrows were sent from above
You got a hot kinda love
I'm close to the edge
Come on and give me a shove
You got a hot kinda love

You got a hot kinda love
Cupid's burnin' arrows were sent from above
You got a hot kinda love
I'm close to the edge
Come on and give me a shove
You got long blonde hair and a cute tattoo
You're one gorgeous lookin' cowgirl and I know you
know it too

You got a hot kinda love
Cupid's burnin' arrows were sent from above
You got a hot kinda love
I'm close to the edge

Come on and give me a shove
You got a hot kinda love
Cupid's burnin' arrows were sent from above
You got a hot kinda love
I'm close to the edge
Come on and give me a shove
You got a hot kinda love
