CHORUS

50 ways (go go go go)

50 ways to flip a style

REPEAT *4

skiddily diddily boom boom a whop a dung dem
you never know say daddy me snow yes me come back
Again

snow that begin a reading for the musical blow
man de sun came down man de moon came up
man I'm fun alone me just

spin on the top a me say working gold ?

another regional land in a Toronto

I rocked then a rolled rock it never need a flow

People dem a take over the mind and soul

eat it in a plate a man fe eat it in a bowl

?????deaf music man a hyper volume noise

skiddily diddily boom boom a whop a dung dem lord

skiddily diddily boom boom me come back again

skiddily diddily boom boom a whop a dung dem

you never know say daddy me snow go go go

run go tell your friend

CHORUS

they said "hey snow man is there something we can

Do

to hear another wicked style yes coming here

Straight from you?"

they smiled and looked to me I said there aren't to

Be

There must be 50 ways to flip a style

There must be 50 ways to flip a style

MC SHAN:

Speaking of 50 ways

Speaking of 50 styles

Flip I'm about to give why so grab a grip

1, 2, 1, 2 check

step up and get wrapped

Rough rhymes nuff respect

Wiggiddi whack styles
De home de home my system
Then speed up stretch em out
Toss em up and twist em
Rolled up beat cause you can get done true
Flavours, my rhymes are like an ice cream scoop
Boy just stand still face your prosecution
Love to see ya fate that's your resolution
Wrap us gift rock
Concocted of a potion
Rough on the edge jets move like notion
Psychotic murder and maniac rapper killin'
Back when it comes to rap the rapper kazilla
Swift with the gift I make it worth your while
50 ways and 50 styles

CHORUS

All on come up jack it up to what I say
Your in a jamaican pack that man' in New York
That means you're gay
????????
We're in a New York dem a go people having fun
Women he women he warm up?
???? never get up in front of judge man ???????
???? pull on a microphone and running about
a me say up a to the top because
Women chat diddily diddily warm up?

CHORUS
