(D. O'Brien, R. Patterson, B. Settingington)

I will remember the days when I'm young...

Here's a story about the Whole Nine Yards  
Me and Seane and Ash were raised by Moms  
Didn't have much but we got along  
Diddly diddly diddly JAH!!!! (we'd be)  
Boosting goods like everyday  
Allenbury half price they'd pay  
U could ask but we wouldn't say  
Diddly, diddly, diddly JAH!!!!

Now the police pulled up they said "form a line"  
Said a Inchy threw a fit 'cause he was high on wine  
Kelly got rude and he was out of hand  
We said... ohh "leave him alone!!!"  
While letting Inchy free with an apology  
Fitzy hid his weed because he thought they'd see  
Richaell moonwalked by and said "follow me"  
And we all just laughed out loud....

It's just another wicked day in my neighbourhood  
U never know what be goin' down...  
Back a twistin' and a breakin' 2 Run D.M.C.  
I wish dem days could go on and on...  
Anamon dem sing... Oh oh oh oh ...  
Anagirl dem sing... Oh oh oh oh ...

We'd be hanging out in my backyard  
The Brown's bassline hooked me hard  
Keepin' 6 for security guards  
Diddly diddly diddly JAH!!! (who dat!?)  
Startin' something in the parking lot  
Quick duck so U don't get shot!!!  
Dirty Sally streaking when she thinks she hot!?!?!?  
What?!?!?!@!?!?

Freedman on the shack roof strumming guitar  
Dem 3 chord riffs couldn't take him too far  
Shutzmann yelling over "\*\*\*Shaddup supa

STARR\*\*\*!!!"

Ohhh leave it alone....

Dirty Jack and Quinn stone-drunk as sin

Now they couldn't find their car 'cause we hid it again

Danny scored big "Let the party begin!!!!"

And we all would fall in line....

It's just another wicked day in our neighbourhood

U never know what be goin' down....

Back spinning' and a breakin' 2 some Kool Mo Dee

I wish dem days could go on and on...

Rap

Snow's Rap

No matter where I'd be, my friends were there for me

We were tight U see, when the game got deep...

So we rose above with respect and love

And all I wanna say is....

It's just another wicked day in our neighbourhood

U never know what be goin' down....

Back spinning' and a breakin' 2 some Run D.M.C.

I wish dem days could go on and on...

It's just another wicked day in our neighbourhood

U never know what be goin' down....

Back spinning' and a breakin' 2 some Kool Mo Dee

I wish dem days could go on and on...
