I know you've been lonesome  
But were together  
Oh I adore you you you...

It's the newest thing  
Makes you wanna sing  
( nananananana no )  
She's the sweetest thing  
Makes me wanna sing  
( nananananana no )

Don't wanna be wrapped away  
From your sweet love I need it everyday  
I heard you saying  
"Ya I heard that before and I don't wanna hear no more  
"

I hope you never wanna run away  
You swallowed up my pride and I'm gunna say  
I love you lady  
I can't deny it you are the one for me

It don't matter what you gunna say  
It don't matter what you gunna do  
I will always be the one you need  
So call on me girl

I don't care about what people say  
It don't bother me in any way  
Cause I no it's u and I love you  
And I'll be saying

I know you've been lonesome  
But were together  
Oh I adore you you you...

Hey hey u don't say oh no  
If forever  
Cause I adore you you you

I thought I didn't really didn't wanna stay

Sometimes I think I'm smiling  
I've been away  
But I was crazy  
(... I don't know where to go? )

I'm tired of playing silly games  
I need you by my side it's the only way  
My sweet lady  
I can't deny it you are the one for me

It don't matter what you gunna say  
It don't matter what you gunna do  
I will always be the one you need  
So call on me girl

I don't care about what people say  
It don't bother me in any way  
Cause I no it's u that I love you  
And I'll be saying

I know you've been lonesome  
But were together  
Oh I adore you you you...

Hey hey u don't say oh no  
If forever  
Cause I adore you you you...

I adore you  
Nothing in this world I wouldn't, couldn't do for you  
Step up in a my life man I wanna come show you  
Never let someone out the run and control you  
Oh no

I will show  
Situation hasn't got me seein things for you  
When I'm on the road all I wanna do is hold you  
Nothing feels so so good  
And you no I adore you, Oh I adore you

I know you've been lonesome  
But were together  
Oh I adore you you you.

Hey hey u don't say oh no  
If forever  
Cause I adore you you you...

It's the newest thing  
Makes you wanna sing  
She's the sweetest thing

Makes me wanna sing

She's the sweetest thing

Makes me wanna sing

It's the newest thing

Wakes you wanna sing

I love you better every D.A.Y

I love you better every D.A.Y
