"Both Side"

Visit "[Both Side](#)" on MotoLyrics.com

Things must work both ways, you take one step back,
its time you're leaving.
Why live in the past? you will get no apology, and i wont
carry that shit.

I'm not responsible, for your babies arrest!
I'm not responsible, when your kids attack!
I'm not responsible, so i»¿ don't try and decide.. that.
You give me hate and i re-act!
I'm not responsible, for your little girls!
I'm not responsible, for the welfare whores!
I'm not responsible, and i don't attack. What?
We know the pain on both sides.

You... proud of your race, but i have got no spine? your
anger's displaced.
I... feel the same pride, its just what i am, you would not
take it either.. side.

I'm not responsible, for your killing your kind.
Not responsible, if a white-mans lies.
Not responsible, so don't try and decide that.
Youi»¿ give me hate and i re-act.
Not responsible, for the blood that you give.
Not responsible, for the project kids.
I'm not responsible, and i don't attack. What?
We know the pain on both sides.

You think that your proud of your race? Why must you
bring your anger displace? When i say that i feel the
same pride. Just what i am and i'm not taking sides.
yeaaaah!

But you must know, that i wont be held beï»¿
responsible!
I'm not responsible!
I'm not responsible!
I'm not responsible and i dont attack back,
you give me hate and i re-act. Im not responsible!
I'm not responsible!
I'm not responsible, and i don't attack back, we know

the hate on both sides!
