Legal
Snow

(Chorus x2)

She's legal, tender and fine
She's not conceded but she knows she's a dime
She's legal, tender and fine
She picked my pocket but committed no crime

Let me tell ya a little story about dis girl name Missy
She a born and she raised to keep dem mon hungry
Body shape, hair cut like Hally Berry
Fool of the mon that try to come tame this sassy
What she want is a mon who can handle her right
All throught the night, baller for life
Well I can smash it up
And I can love it up
But only girl if want to give it up

Can I get that
Can I hit that
Can I get that
I want that
I need that
Can I kiss that
Wouldn't miss that
Cause I know what you need
Mama shake that

(Chorus x2)

She's legal, tender and fine
She's not conceded but she knows she's a dime
She's legal, tender and fine
She picked my pocket but committed no crime

Here's another tale about this girl named Laura
You can find her shiny teeth at any corner
Nice and ready for da mon who want spend him dolla
So soon as she see Snow she wasn't spent me dolla
Then she started to express how she like that informa

She said I'll nice it up then I'll love it up
But when da Laura cum you'll have to pay it up

Cause I know what you need
Mama shake that
