#### CHORUS

I've been waiting much too long  
For me and you to get it on  
Let's get it on baby  
I've been waiting much too long  
For me and you to get it on  
Let's get it on baby  
Get on get on

Used to be sunshine on one cloudy days  
And you took your life and love and then you went  
astray  
Used to give me all your love and then you hold me  
tight  
I can tease you all you want in the middle of the night  
Me say back up hold on slow down wait a minute  
You cannot ??? loving if your heart's not in it  
But a you then love there aren't no other  
Cause when I get a hurt I need another lover

#### CHORUS

Been waiting too long for a love that's true  
I never need another love one make her brand new ???  
Treat them nice and treat them right and holding me  
tight  
Sex me and caress me in the middle of the night  
Me say back up hold on slow down wait a minute  
You cannot ??? loving if your heart's not in it  
Cause in a me heart in a me Snow my loving is strong  
Now I'm searching for the lady with the red dress on

#### CHORUS

Used to be sunshine on one cloudy days  
And you took your life and love and then you went  
astray  
Used to give me all your love and then you hold me  
tight  
I can tease you all you want in the middle of the night  
(hear this)

Listen for me, now listen for me  
Have a lock that's in your heart  
Now won't you give me the key  
It's you that I need  
Been waiting too long  
So it's nice that Daddy me Snow me I fi carry on

#### CHORUS
