What's this feeling  
That I'm feeling  
When I'm feeling  
Maybe I'm lonely  
What's this feeling  
That I'm feeling  
When I'm feeling  
Maybe I'm lonely

(\* repeat)

I paint a picture, girl  
Of a love so true  
Of all the beautiful things  
You and I should do  
Imagination  
It will drive me wild  
Till it reach the part  
Of painting your smile  
Oh no, oh no, maybe I'm lonely

(\* repeat 2 times)

In the midnight  
When I'm all alone  
I turn the lights down  
Soft and low  
Start when I'm missin'  
All the love I once knew  
In comes the dreamin'  
Of me lovin' you  
Oh no, oh no, maybe I'm lonely

(\* repeat 2 times)

(michie mee part)  
It bugs me, you think you love me  
Put her above me  
But love don't live here no more  
For you show me it's ugly  
When you reminisce, remember this

I'm gonna need better than this  
Not gonna sit here and wait for love  
I'm gonna go out and seek it  
You want a classic freak  
Like only you could keep a secret  
I need attention, did I mention  
I wanna get some respect  
Try to go with the flow  
But I keep losin' my bets  
Certain thingsi ain't do  
Because I wasn't ready yet  
If you livin' a lie  
Let the love be real  
'cause you don't really miss me  
You just miss how it feels  
(\* repeat and fade)
