My balls your chin  
Brow!

Well it's a bad scene  
I guess I never understand  
'Cause I'm just a man doin' the best I can  
I separate the truth from your bullshit  
Don't try and give me them lines  
I ain't hearing it

Tryin' to say you're my man  
But when the backs are turned  
You have another plan  
Who listens to this girl  
But you don't talk so loud  
'Cause you know this thoughts not allowed

I know you're all the same  
And you're so fuckin' lame  
And we're not gonna play those games ho  
Where do I begin?  
You know you just can't win  
Only when you have my balls on your chin

My balls  
Your chin  
My balls  
I wanna put em' on  
Your chin  
My balls  
Your chin  
And you lick and you suck you suck on  
My balls  
I wanna put em' on  
Your chin

Well I don't know  
Whether the lights still glow  
Pack your bags and just hit the road  
'Cause you don't face it  
'Cause we just don't quit  
Don't want no lies

Because you see your so full of shit

I see you're envious  
Because you can't play with us  
And you're bitchin' those nuts  
She's a fuckin' ho  
And we know how it goes  
You come back and it  
Once or twice who knows

I know you're all the same  
And you're all so goddamn lame  
And we ain't gonna play those games ho  
Where do I begin?  
You know you just can't win  
Only when you have my balls on your chin

My balls  
Your chin  
My balls  
I wanna put em' on  
Your chin  
My balls  
Your chin  
And you lick and you suck you suck on  
My balls  
I wanna put em' on  
Your chin

Well when we look back  
And wave goodbye to this town  
Thou in a second you won't see my man around  
I'm movin' on and up  
But some female fool is tryin' to hold us back  
(Da, du, be, bu, bo, bo)

Snatch on my jock think I'm all that  
And there till my gig is past huh  
Sonny is that you, and all that shit you do  
No one can ever lose  
( 'Cause we're the Snot Crew)

I know you're all the same  
And you're all so goddamn lame  
And we ain't gonna play those games ho  
Where do I begin  
You know you just can't win  
Only when you have my balls on your chin

My balls  
Your chin

My balls  
I wanna put em' on  
Your chin  
My balls  
Your chin  
And you lick and you suck you suck on  
My balls  
I wanna put em' on  
Your chin

Leave me some thing fucked up  
My balls  
Your chin  
My balls  
Your chin  
My balls  
Your chin  
And you lick and you suck you suck on  
My balls  
I wanna put them on  
Your chin
