CHORUS

Sexy girl i'll never find another
She's my sexy girl that i like
Sexy girl i'll never find another
She's my sexy girl that i like

She's got me walkin talkin drinkin sleepin
Can't sleep at night until the early morn a risin
Wonderin' if she dead or gone phone
If she dead, with a next man or feelin alone
A mi si 5 foot 8 i me si dead pon the same
Flesh lickin girl straight out of a magazine
Long brown hair and a nice big smile and
My heart said Snow you better give it a try

So i walk up talk up hope i don't mock up
Something in her eyes said Snow you must knock up
Me I'm feelin' lonely and free
If love is so blind then why can i see
A me say 7 years ago when you first start be my baby
You were everything that I thought would be a lady
Personality and a class that match
Won't you look inside your heart and give Snowman a
chance
Cause your my...

CHORUS

One even day her and i at the disco
Watch how the girl she just a dance down low
Now watch the girl pon east and the girl pon left
You dance too much you a dance to death
And now you no do it right if you no work up a sweat
Personally Snowman i don't know why i do it
But me still have to watch to see another
How she moves up her hip and go straight to shoulder

CHORUS

So i walk up talk up hope i don't mock up
Something in her eyes said Snow you must knock up

Me I'm feelin' lonely and free
If love is so blind then why can i see
A me say 7 years ago when you first start be my baby
You were everything that I thought would be a lady
Personality and a class that match
Won't you look inside your heart and give Snowman a
chance

(I girl me love the girl that need my girl my best friend)
(Yes she did a gone and she no phone me again)
