I wasent born to tell yo no lies Blame the routine and then ask them why All of the secret and all of them spize Now it's time for us to open our eyes Recently thoughts programed in my mind I hear a whisper of truth You can't contain Snow not this time Cause we've gone and looked at your prove Don't get burned by the first flame At least those thoughts come out your brain Slowly just bring back your love Let those wild horses breath Come together you and me And we can go on and go on And we can go on and on

I hear a whi....ok
