Sexy girl, I'll never find another
She's my sexy girl that I like
Sexy girl, I'll never find another
She's my sexy girl that I like

She's got me walkin', talkin', drinkin', sleepin'
Can't sleep at night until the early morn a risin'
Wonderin' if she dead or gwan phone
If she get a with a next man and she feelin' alone

A mi say 5 foot 8 and a I me say definitely
And mi say Flash licker girl straight out of a magazine
Long brown hair and a nice big smile
And my heart said, ?Snow, you better give it a try?

So I walked up, talked up, hope I don't mock up
Something in her eyes she said, ?Snow, you must
knock not come
Me I'm feelin' lonely and free
If love is so blind then why can I see"

A me say 7 years ago when I first look at my baby
You were everything that I thought would be a lady
Personality and a class that match, won't you look
inside your heart
And give Snowman a chance 'cause your my

Sexy girl, I'll never find another
She's my sexy girl that I like
Sexy girl, I'll never find another
She's my sexy girl that I like

One evening day, her and I at the disco
Watch how the girl, she just a dance down low
Now watch the girl pon east, and the girl pon left
You dance too much, you a go dance to death

And I got time do it right if you no work up a sweat
Personally Snowman, I don't know why I do it
But me still have a watch to see another
How she moves up her hip and me say go fi shoulder

Sexy girl, I'll never find another
She's my sexy girl that I like
Sexy girl, I'll never find another
She's my sexy girl that I like

So I walk up, talk up, hope I don't mock up
Something in her eyes said Snow you must knock up
Me I'm feelin' lonely and free
If love is so blind then why can I see

A me say 7 years ago when I first look at my baby
You were everything that I thought would be a lady
Personality and a class that match, won't you look
inside your heart
And give Snowman a chance

Sexy girl, I'll never find another
She's my sexy girl that I like
Sexy girl, I'll never find another
She's my sexy girl that I like

Sexy girl, I'll never find another
She's my sexy girl that I like
Sexy girl, I'll never find another
She's my sexy girl that I like

Sexy girl, I'll never find another
She's my sexy girl that I like
Sexy girl, I'll never find another
She's my sexy girl that I like
