Disappointment
Oh, you shouldn't have done,
You couldn't have done,
You wouldn't have done the things you did then.

And we could've been happy.
What a piteous thing,
A hideous thing was tainted by the rest,
But it won't get any harder,
And I hope you'll find your way again.

And it won't get any higher,
And it all boils down to what you did,
Then... [X 8]

In the night we fight, I fled, you're right.
It was exactly then, it was exactly then,
I decided, decided, decided, decide. Oh, that threw
you out.

In the night we fight, I fled, you're right.
It was exactly then, it was exactly then,
I decided, decided, decided, decided. Mmm...
Mmmm...

But it won't be any harder,
And I hope you'll find your way again.
And it won't get any higher,
And it all boils down to what you did,
Then... [X 8]
Disappointment... [X 6]
Then... [X 8]
