Something has left my life  
And I don't know where it went to  
Somebody caused me strife  
And it's not what I was seeking

Didn't you see me? Didn't you hear me?  
Didn't you see me standing there?

Why did you turn out the lights?  
Did you know that I was sleeping?

Say a prayer for me  
Help me to feel the strength I did  
My identity. Has it been taken  
Is my heart breaking on me

'Cos my plans they fell through my hands  
They fell through my hands on me  
All my dreams it suddenly seems  
It suddenly seems empty
