I've got a picture in my head  
In my head  
It's me and you we are in bed  
We are in bed  
You've always been there when I called  
When I called  
You've always been there most of all, all, all, all

This is not Hollywood  
Like I understood  
Is not Hollywood  
Like, like, like

Get away, get away,  
Is there anybody there?  
Get away, get away,  
Is there anybody there?  
Get away, get away, get away, away...

I've got a picture in my room  
In my room  
I will return there I presume  
It will be soon  
The greatest irony of all  
Shoot the wall  
It's not so glamorous at all, all, all
