Cranberries, The - I Can't Be With You

=====

Lying in my bed again
And I cry cos youre not here
Crying in my head again
And I know its not clear
Put your hands, put your hands
Inside my face and see that its just you
But its bad and its mad
and its making me sad
Because I cant be with you
Baby I cant be with you
Thinking back on how things were
And how we loved so well
I wanted to be the mother
of your child
And now its just farewell
Put your hands in my hands
And come with me
well find another end
And my head, and my head

On anyones shoulder

Cause I cant be with you

Baby, I cant be with you

Cause youre not here, youre not here

Baby I cant be with you

Cause youre not here, youre not here And baby Im still
in love with you
