You bring out the best in me  
You opened up the door  
Bringing out the best in me  
I'm not afraid anymore  
You bring out the smile in me  
You opened up my eyes  
Bringing out the smile in me  
Your burying my disguise

Many nights many days  
I would sit in a gaze worrying  
Many nights , many days  
I wasn't alive  
(repeat)

Take, take, take, take me over

You bring out the best in me  
You opened up the door  
Bringing out the best in me  
I'm not afraid anymore  
You bring out the truth  
Bringing out the smile  
You bring out the truth

Many nights , many days  
I would sit in a gaze worrying  
Many nights , many days  
I wasn't alive

You gotta open up your heart  
You gotta open up your mind
