Cranberries, The - No Need To Argue
=====

Theres no need to argue anymore

I gave all I could

but it left me so sore

And the thing that makes me mad

Is the only thing that I had

I knew, I knew, Id lose you

Youll always be special to me

And I remember all the

things we once shared

Watching TV movies on

the living room armchair

But they say it will work out fine

Was it all a waste of time

Cause I knew, I knew, Id lose you

Youll always be special to me

Will I forget in time

You said I was on your mind

Theres no need to argue

No need to argue anymore

Special
