Time is an illusion baby, I'm on your side
Love is a confusion baby, you'll never hide
Come to the conclusion baby, your love has died
Time is an illusion baby, I'm on your side
Time is an illusion baby, I'm on your side
Love is a confusion baby, you'll never hide
Come to the conclusion baby, your love has died
Time is an illusion baby, I'm on your side

I want to jump on your head
Until I get blisters
I will drop bombs on your bed
You'll be calling your sisters 'cos
Time is an illusion baby, I'm on your side
Love is a confusion baby, you'll never hide

Life was an attraction baby, but you never tried
Now it's an attraction maybe, you should have died
I want to jump on your head
Until I get blisters I will drop bombs on your bed
You'll be calling your sisters 'cos
Time is an illusion baby, I'm on your side
Love is a confusion baby, you'll never hide
Come to the conclusion baby, your love has died
Time is an illusion baby, I'm on your side
Pathetic senses, I'm on your side
Pathetic senses, I'm on your side
Pathetic senses, I'm on your side
