Nothing to say, nothing to do
Nowhere to go, and I can't get over it though I try???
I don't know what to say, I don't know what to do
I don't know what you want, is there anything that I can
do

'Cause if you where somewhere else this day
If you were with someone else this day
If you were...

The look on your face, that tells us come here
A reason to be escaping from reality
??? with fear, and definitely
A reason to be escaping from reality

'Cause if you where somewhere else this day
If you were with someone else this day
If you were...

Na na naa, na na naa
Naa na na naa, naa na na naa

Nothing to say, nothing to do
Nowhere to go, and I can't get over it though I try???
I don't know what to say, I don't know what to do
I don't know what you want, is there anything that I can
do

'Cause if you were somewhere else this day
If you were with someone else this day
If you were...

Na na naa, naa na na naa
Naa na na naa
