The stars are bright tonight  
i am walking nowhere

i guess i will be allright  
desire gets you nowhere

and you are always right  
admire you are so perfect

Take you as you are  
Have you as you are  
Take you as you were

I love you just the way you are  
I'll have you just the way you are  
I'll take you just the way you are  
Does anyone love the way they are ?  
Aaa Aaa

The stars are bright tonight  
A distance is between us  
And I will be OK  
The worst I've ever seen us

And still I have my weaknesses  
And still I have my strength  
And still I have my ugliness

But I, I  
I love you just the way you are  
I'll have you just the way you are  
I'll take you just the way you are  
Does anyone love the way they are ?

Aaaa Aaaa Aaaa

I love you just the way you are  
I'll have you just the way you are  
I'll take you just the way you are  
Does anyone love the way they are?

Aaaa Aaaa Aaaa Aaaa

Star, Star
