Well, I feel so sorry for you
You'll always be the same.
'Cause you're sad, you're sad.

And I think you're very selfish,
And you play a vicious game,
'Cause you're bad, you're bad.

And you'll end up very lonely
And you may end up in pain
'Cause you're mad, you're mad.

I think you're awful,
I think you're horrible,
a waste of space

I think you're awful,
I think you're horrible,
a waste of space

'Cause your bad behavior
But you never see.

Such a shame, such a shame
you'll always be the same
And ??

Such a shame, such a shame
you'll always be the same
And ???

Arrogance, ignorance,
Arrogance, ignorance,
Arrogance, ignorance...

Ooh, ooh...

I should think you're very selfish
I should think you're very sad,
It's your bad behavior.

I should think you're very thankless
For the things you never had
It's your bad behavior.

I think you're awful,
I think you're horrible,
A waste of space.

I think you're awful,
I think you're horrible,
A waste of space.

It's your bad behavior
Who care, but you never see.

Such a shame, such a shame
you'll always be the same
And ???

Such a shame, such a shame
you'll always be the same
And ???

Such a shame, such a shame
Such a fool, such a fool
Such a clown, such a clown
Such a shamble...

Such a shame, such a shame
Such a fool, such a fool
Such a clown, such a clown
Such a shamble...

Such a shame, such a shame
Such a fool, such a fool
Such a clown, such a clown
Such a shamble...
(Arrogance, ignorance,
Arrogance, ignorance,
Arrogance, ignorance...)
