Cranberries, The - The Icicle Melts  
=====

When

When will the icicle melt,

And when

When will the picture show end

I should not have read the paper today

Cause a child, child he was taken away

Theres a place for the baby that died

And theres a time for the mother who cried

And she will hold him in her arms sometime

Cause nine months is too long

How could you hurt a child

Now Does this make you satisfied

I dont know whats

happening to people today

When a child, he was taken away

Theres a place for the baby that died

Theres a time for the mother that cried

And she will hold him in

her arms sometime

Cause nine months is too long

Theres a place for the baby that died

And theres a time for the mother who cried

And you will hold him in

Yours arms sometime

Cause nine months is too long
