Who gave them the right  
Waltzing back into  
(Your life, your life)  
Now I feel fear  
I wish that they'd never come (Here, here, here)

What they gonna do  
What they gonna say  
Taking you away from  
(My life, my life, my life)  
I don't wanna do  
I don't wanna say  
Taking you away from  
(My life, my life, my life)

Laah, laah, laah (chorus)  
Who gave them the right  
Turning it back into  
(Light, to light, to light)  
Then i felt fear  
I wish that they'd never come (Here, here, here)

What they gonna do  
What they gonna say  
Taking you away from  
(My life, my life, my life)  
I don't wanna know  
I don't wanna shout  
I don't wanna say  
'Cos it's  
(Your life, your life, your life)

Laah, laah, laah, doo doo (chorus)  
Who gave them the right, the right, the right  
Who gave them the right, the right, the right  
Who gave them the right, the right, the right  
Who gave them the right, the right, the riiiggghhhh  
na na na na na na na. aah!!
