"Sittin' in an armchair  
With my head between my hands  
I wouldn't have to feel like this  
If you'd only understand  
To many misunderstandings  
Causing such delay  
And if it doesn't work like this  
Well, I'll try another way

Owow, this is the way u wanted it  
Owow, I didn't understand  
Owow, this is the way u wanted it  
Owow, I didn't understand

You know that all I wanted was  
To be there by his side  
And if you didn't want it  
Well, you shouldn't have denied  
You knew that you were someone special  
Right in from the start  
But if you treat me badly  
We'd be better off apart

Owow, this is the way u wanted it  
Owow, I didn't understand  
Owow, this is the way u wanted it  
Owow, I didn't understand.  
(understand)

Owahoho, owahoho, owahoho, owahoho  
Ohhhhhhh oha oha oh oha oha oh oha oha oh"
