

Cranberries, The "When You're Gone"

Hold onto love that is what I do now that I've found you.
And from our fog everything's stinking, they're not
around you.

And in the night, I could be helpless,
I could be lonely, sleeping without you.

And in the day, everything's complex,
There's nothing simple, when I'm not around you.

But I'll miss you when you're gone, that is what I do.
Hey, baby!
And it's going to carry on, that is what I do. Hey, baby...

Hold onto my hands, I feel I'm sinking, sinking without
you.
And to my mind, everything's stinking, stinking without
you.

And in the night, I could be helpless,
I could be lonely, sleeping without you.

And in the day, everything's complex,
There's nothing simple, when I'm not around you.

But I'll miss you when you're gone, that is what I do.
Hey, baby!
And it's going to carry on, that is what I do. hey, baby...
