If I could keep  
this moment here  
live away  
get away

and now I feel you  
crossing my heart  
shining shining  
like a jewel

ooh  
put me high on a wall  
and let's not fall  
let's not fall

sweet dreams I remember it all  
I remembered it all

doo te doo...

if I could keep this hour  
and hold you gently next to me  
it would sparkle like a jewel  
and all this means so much to me

you know it's gone  
it's gone too fast  
wish you could never be in the past  
but then i'll (have) more to lose  
alone and screaming  
eo eo eo...
