touch me i'm here with you
and though I ache
and though I want of you
make my mind and body burn
yeah I married you

tonight I dreamed of you
and dreamed but at times
you ever knew
you know I dreamed of you
sometimes fade and ... you

touch me i'm alone with you
you knew this was a game ...
you make me fall into my eyes
... still preciously
and you know
we have found ...
you have ... in my...

you're the only thing I ever know
and all i'm feeling down to beat
you're the only thing I ever know
you know i'm feeling down to beat

touch me i'm here with you
and though I ache
and though I want of you
make my mind and body burn
with ... anything
I can think of you
you knew by body ...

awake i've dreamed of you (dreamed of you)
you ain't gonna I know i've gone ...
you know i've dreamed of you
dreamed of you (you ain't gonna know i've gone)
you're the only thing ever need
and all I feel is down to beat
you're the only thing I even know (need)
and all I feel is that you're gone
