Oh, darling
Just close your eyes
And come to me
Where you deserve to be
Where all the sirens sing

I strive for touch, not a life of solitude
To be the one in your eyes
You've left it all behind

Oh baby,
Scream one more time
I'll make you writhe
From the lust of our
Teenage love

(Cleans) oh baby
Scream one more time, I'll make you writhe from the
lust of our teenage
Love
Oh baby,
Scream one more time
Forget
Forget everything beyond our lines

I wouldn't be the one who you'd rely upon, if you
weren't so
Sentimental, just forget the past

We were already dead

Oh baby,
Scream one more time
I'll make you writhe
From the lust of our
Teenage love
Oh baby
Scream one more time
Forget,
Forget everything beyond our lines

Oh baby,
Scream one more time
I'll make you writhe
From the lust of our
Teenage love
