Well I am the one Who brings you the sun Can't you see? I want you to see

That he'll never be Half as good As you want Him to be

Got that badass ride When he drives you by With his perfect teeth And his rich white smile

There's a nervous edge In your eyes for him Baby, I'm for real I'm real

I am the one Who brings you the sun Can't you see? I want you to see

That he'll never be Half as good As you want Him to be

There's an incrowd They have me drive their cars And they're all so rich But they won't get far

There's a secret me There's a shadow self Baby, I'm for real I'm real

I am the one

Who brings you the sun Can't you see? I want you to see

That he'll never be Half as good As you want Him to be

(Musical Break)

I am the one Who brings you the sun Can't you see? I want you to see

That he'll never be Half as good As you want Him to be

I Am The One I Am The One I Am The One
