Well I'm down on my luck  
And I really don't give a damn  
The skies are gray, but I'm used to that  
Since I met you  
Since I touched you  
Since I held you  
I've been flying so high

Money's got me  
And It's strangling me  
And I'm almost out the door  
There's a sign on a bridge  
That says "Jesus lives"  
And I don't know what to believe anymore??

Look Josephine  
It's a flying machine  
Going up she goes  
Going up she goes

She'll take you so high  
And let you fly so high  
Then we'll come back down  
Then we'll come back down

I want to be free float like a feather  
Blow in the wind, to wherever  
I carried the cross  
And I'll do it again

And there she goes through the constellation  
Genesis to Revelations  
Josephine  
You're the perfect creation

Look Josephine  
It's a flying machine  
Going up she goes  
Going up she goes

She'll take you so high

And let you fly so high  
Then we'll come back down  
Then we'll come back down

Josephine in your flying machine  
Come back down and be with me  
Josephine in your flying machine  
Come back down and be with me
