[Jessica] Oh~ You just a

[Tiffany] You only wear cologne that comes in the
sample size

Your watch says Rollex but I know you bought it from
some guy on this street

Who also sells fake IDs can't trick me.

I've seen it all before, you see

[Seohyun] You're driving around, got your rounded
rims

You got the hook-up from your cousin who's regional
manager on weekdays

She gave it to you for one night for free

Don't you wish you drove it in real life

[Taeyeon] You want to make a Trump-kind of money

When you're really just a 26 year old chump living
with your mommy

[All] You can't say what all you got to say

But all I see, is that you just a Cheap Creeper

Sneaky eyes, you don't know how to lie

But the truth I see, is that you just a Cheap Creeper

[Sunny] Cheap cheap, cheap, cheap creeper

Cheap cheap, cheap, cheap creeper

[Jessica] I see you sitting in the corner trying to act
smooth

Behind your dark sunglasses watching every move

I'm making, can almost feel your hands on me

So sick babe, the way you try to ([All] Creep creep)

[Yoona] You acting like a Justin Timberlake

But all you are is just a fakeout living with your mommy

([All] Mommy)

[All] You can't say what all you got to say

But all I see, is that you just a Cheap Creeper

Sneaky eyes, you don't know how to lie

But the truth I see, is that you just a Cheap Creeper
