[Taeyeon]In your smile that's like a spring day, the
whole world gets brighter
It makes me dream again
[Seohyun]On the day where the sun sparkles,
[Sooyoung]I hold your hand and walk in sync with your
footsteps
[Yoona]When I sometimes walk ahead and suddenly
look back
[Hyoyeon]That face that looks at me
[Tiffany]is so eye-blinding

[Sunny]when I hear the sound of spring coming,
([All]I walk on the path with the bloomed flowers)
[Sunny]When the rainy summer comes,
([All]I walk as I see the rainbow)
[Jessica]When autumn passes and winter comes,
([All]with the warmth from our hands)
[Jessica]We walk together - how great is your love

[Sunny]I always waited for a love that resembles the
sky to be given to me
[Jessica]On the day where the stars twinkle, I walk to
the melody of the birds

[Yoona]Your seasons that go round and round,
[Hyoyeon]repeating like a secret
[Yuri]In that unchanging love,
[Sooyoung]my eyes are blinded

[Seohyun]when I hear the sound of spring coming,
([All]I walk on the path with the bloomed flowers)
[Seohyun]When the rainy summer comes,
([All]I walk as I see the rainbow)
[Taeyeon]When autumn passes and winter comes,
([All]with the warmth from our hands)
[Taeyeon]We walk together - how great is your love

[Jessica]You became a bright light to me,
([All]who was exhausted by the world)
[Jessica]Even if winter comes at the end
([All]of this narrow road we walk together)

[Taeyeon]If you would hold my hand,
[Tiffany]to me, this rough world
([All])will be like spring days)
[Taeyeon]How great is your love ([Taeyeon] Oh
woah~)
[Tiffany]How great is your love
