Kosmos perna ke me skou(n)da, stratos ke me pataÃ-
K' eme to mati oudhe jirna ki oudhe se parataÃ-.

Tin achna ap' tin anasa sou niotho sto maghoulo mou,
Ach, k' ena fos, meghalo fos, sto vathos plei tou dhromou.

Ta matia mou skoupizi ta mia fotini palami,
Ach, k' i lalia sou, jioka mou, sto splachno mou echi dhrami.

Ke na pou anasikothika, to podhi steki akoma
Fos ilaro, leve(n)di mou, m' anevase ap' to choma.

Tora i simes se dysane. Pedhi mou, esy, kimisou,
