Look at little Tim Tim, sleeping so soundly.  
WAKE UP TIMMY, WHAT IF THERE'S A MONSTER?!  
Don't be scared, Timmy, or he'll eat you.  
Monsters smell fear.  
Lucky for you, I got a  
SAFETY TORCH!  
Put it on your porch, make a  
SAFETY PORCH!  
Put it in the hallway.  
SAFETY TORCH!  
Scare the monsters away.  
SAFETY TORCH!  
That'll be 50 bucks.

But my house is on fire.

Tim Tim, things are looking grim grim,  
But lucky for you you,  
I have come with a solution!  
It's your lucky day!

SAFETY WATER!  
Put it in a bucket.  
SAFETY WATER!  
Pour it on the fire!  
SAFETY WATER!  
Maybe make a bubble bath.  
SAFETY WATER!  
First one's on the house.

Ha ha ha. I see what you did there. First one's on the house.
