I don't like cleaning but my momma makes me anyway.  
She said, "I'm sick of this crap, boy you gonna clean  
the house today."

She said, "I'ma go to the store and when I come home  
it betta be done."

I said, "No problem, ma, I'ma pick my shit up one by  
one."

When she walked out the door I started cleanin' like  
she said.

The only problem is I am easily distracted.  
I started cleaning shit 'til something shiny caught my  
eye...

it was a plastic square with dimensions of 3.5.

There's a floppy disk on the floor,  
There's a floppy disk on the floor,  
Baw.

There's a floppy disk on the floor,  
There's a floppy disk on the floor,  
Oww.

There's a floppy disk on the floor,  
There's a floppy disk on the floor,  
Aow.

There's a floppy disk on the floor,  
There's a floppy disk on the floor,  
Click.

Next thing I knew, door flew right open,  
she came in with groceries.  
Oh no all I did was sing this song,  
maybe I have ADD.

She pointed fervently at all the mess  
her eyes ablaze.  
But then she froze right there  
when something shiny caught her gaze.

I'm sure it wasn't hard  
to see how little I had done.  
But then she looked at me  
and then we sang in unison.

There's a floppy disk on the floor,  
There's a floppy disk on the floor,  
Baw.

There's a floppy disk on the floor,  
There's a floppy disk on the floor,  
Oww.

There's a floppy disk on the floor,  
There's a floppy disk on the floor,  
Aow.

There's a floppy disk on the floor,  
There's a floppy disk on the floor,  
Huah!

So it was we stood right there  
just singing that repeatedly.  
The only explanation is  
that it was destiny.

Or maybe black magic,  
but we all know that don't exist.  
I guess I'll sing the chorus  
one more time if you insist.

There's a floppy disk on the floor,  
There's a floppy disk on the floor,  
Baw.

There's a floppy disk on the floor,  
There's a floppy disk on the floor,  
Oww.

There's a floppy disk on the floor,  
There's a floppy disk on the floor,  
Aow.

There's a floppy disk on the floor,  
There's a floppy disk on the flo hooaahh.

There's a floppy disk on the floooo...  
Wa-naw.
