The minute I saw you baby I got busy
You were rocking it up on TV like Thin Lizzy (yeah)
So I started a rock & roll band to get to you
I hope you're ready (ready) for me

'Cause I hope we'll make it to the radios
And I hope we'll make it to the stadiums
'Cause I hope I'll see you soon face to face - backstage

The minute I heard your CD I got shivers
I mean even the clearly bad songs, they were killers
(yeah)
So I started a revolution to get to you
I hope you're ready (ready) for me

'Cause I hope we'll make it to the radios
And I hope we'll make it to the stadiums
'Cause I hope I'll see you soon face to face - backstage

I'd show you my dressing room and we'd get closer
(yeah)
Backstage

'Cause I hope we'll make it to the radios
And I hope we'll make it to the stadiums
'Cause I hope I'll see you soon face to face (yeah) -
backstage

Ooh, I'll see you soon (hey) - backstage
Ooh, I'll see you soon - backstage
