I think I need a friend
Just a friend to hold
What a dream I had, oh
You we're still around, saying:

"Don't stop. We're living it fast. Feet on a one way street
Don't start, you're breaking my heart in t-t-two
Don't stop, we'll make it all right,
I know we are the best of the best,
I know we are the best of the best
I know we are the best of the best"

I said "sure we are,
Just like falling stars"
I remember you, boy
Singing all the way down:

"Don't stop. We're living it fast. Feet on a one way street
Oh, don't start, you're breaking my heart in t-t-two
Oh, don't stop, we'll make it all right,
I know we are the best of the best,
Yeah, I know we are the best of the best
I know we are the best of the best"

But then, we ran out of luck
And I ran out of you
What a dream we had, oh
Off to Mexico, singing:

"Don't stop. We're living it fast. Feet on a one way street
Oh, don't start, you're breaking my heart in t-t-two
Oh, don't stop, we'll make it all right,
I know we are the best of the best,
I know we are the best of the best
I know we are the best of the best
I know we are the best of the best
I know we are the best of the best"
