Hey Jenny please, I'm not in love with you!
It can't be that hard to understand, I'm not your man.
Somethin' is wrong, I'm not the same again.
It's all very odd, hope you understand, don't you hold
my hand.

And now I'm empty and clean.
All alone now, boy, yeah.
And I am all I have, for now.
Trapped alone in my wonder-wonderland.

Go Johnny go to be a blue-eyed boy, the world is your
home,
Now you understand it's a wonderland.

And now I'm empty and clean.
All I alone now, boy, yeah.
And I am all I have, for now.
Trapped alone in my wonder-wonderland.

So I'm alone now boy, all is open to me, waah.
I am guilty 'n free so I'll be gone now.
I am empty and clean.

All I alone now, boy, yeah.
And I am all I have, for now.
Trapped alone in my wonder-wonderland.
