

Crash, The "Fireworks"

Open your eyes
Look up tonight
In the scariest dark,
hides a marvellous spark.

I know that fire works
I've seen the fireworks
Down here, a higher world
I've seen you.

Sparkles flew
as brightness blew
First a heavenly glow,
then the colours explode.

And I know that fire works
I've seen the fireworks
Down here, a higher world
I've seen you.

Now I know that fire works
I've seen the fireworks
Down here, a higher world
I've seen you.
